Sheryl,

15941 was disallowed and expunged because claim 67707 amended and superseded it. The release should only refer to claim 67707, because that is the only live claim (and we will update the date). The addition to the parenthetical that you have added does not work for us. I have cc'd our bankruptcy counsel in case you want to discuss this further.

Sheryl,

The IP release documents are OK by us. Attached is a draft of the requested payoff letter. We are still looking into the collateral and will let you know when we have more information (later this week).

Do you have any firm sense of timing for the payoff at this point? We will obviously need to run the numbers based on the relevant date.

Thanks,

Philip Ratner

Gentlemen- I understand that you are working on the payoff of the SBS loan facility, and I wanted to touch base on when we can expect to receive a draft of the payoff letter.

In connection with the payoff, attached for your review are drafts of IP releases related to the first lien credit facility, as well as an IP release related to the previously terminated second lien facility (based on recent IP searches, it appears that some of the trademarks still have second lien filings against them). Please let us know if you have any comments with respect to the attached.

In addition, we would appreciate it if you could please send us copies of all of the stock certificates/pledged notes in Lehman's possession.

Thank you and please let me know if you have any questions regarding this matter.

Regards,

Sheryl
